

RETIREMENT ADVISORS OF AMERICA CLIENT DENTAL PLAN

The Retirement Advisors Client Dental Plan was developed several years ago to replace dental insurance benefits lost at retirement. Each year at this time, we offer an open enrollment period through August 13th. **This will be the only opportunity you will have to join our dental plan for the upcoming plan year.**

Once again we have teamed with United Concordia to offer a plan. Some of the highlights of the plan include:

- PPO plan with a percentage payout based on service provided
- \$50 deductible with annual maximum coverage of \$1,500 per person per year
- Claims history and status, annual maximum accumulation and much more at www.ucci.com
- Plan year payout of benefits (Sept. 1, 2010 to Aug. 31, 2011)
- Vision discount card added at no extra charge
- With **Preventive Incentive**, all class I diagnostic and preventative services – such as cleanings, exams, x-rays and more – **do not count toward your annual maximum**. This leaves you with more benefit dollars to use for other covered dental procedures.

Remember, this plan is a PPO plan, with a network of providers. Out of network providers will be paid the allowed amount based on usual and customary charges according to your zip code. Using out of network providers could result in higher out of pocket expenses. **This plan requires a one time 12-month waiting period on Major Services.**

Your deductible and benefits are paid out on a plan year basis. This means that once you enroll as of September 1, 2010, you will have \$1,500 worth of coverage until August 31, 2011.
